

Paul Harris

Issue No. 2

Who is Paul Harris ??

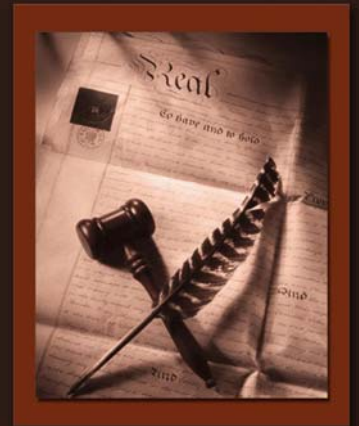

1871-1888

Paul writes that his grandfather was a strong influence on his future life. Though he may have over indulged his own son, George, he appeared to be a remarkable parent to Paul.

Early 80's

Expelled from Black River Academy, attended by Calvin Coolidge, then graduates from Vermont Academy

1885

Enters the University of Vermont, only to be expelled. This time he is not at fault. Why does Harris not appeal the decision?

Paul Harris

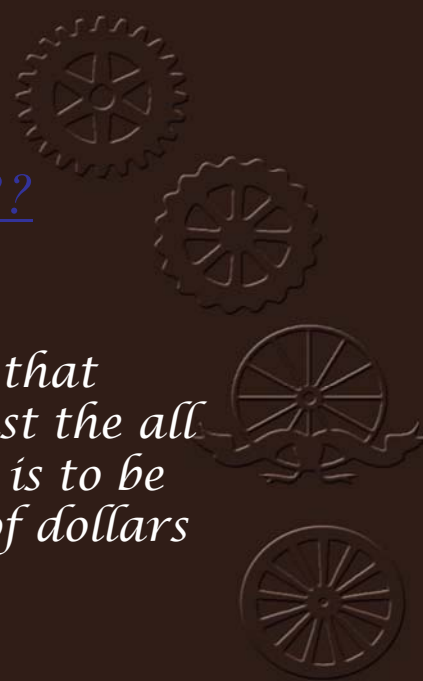

Issue No. 2

What Paul Harris Said??

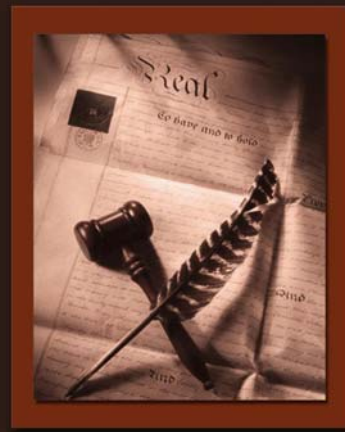

1914 The Distant Sense

"We need a philosophy of life, one that enters its unceasing protest against the all too prevalent belief that happiness is to be found in the mere accumulation of dollars or in the acquisition of power"

1915 Hopes for the Rotary of Tomorrow

"Men work and play, fight and make peace, love and hate, live and die all in pursuit of happiness, and how often in ill considered pursuit of happiness. Men barter the joy of years for the mirth of a day"

1918 The True Spirit of Service Can World

"We are in no further need of politicians; we need some statesmen now. We can dispense with Democrats and we can dispense with Republicans in this time of national crisis. We need real patriots now."
